

Stay up to date on your biggest investment, with **Home Report**

Your free monthly update on the value of your home, the equity you've built, local market activity, financing strategies and more.

Content you care about delivered every month

With personalized information about your home value, neighborhood sales activity and more, Home Report has everything you need to manage your investment.

Easy enrollment

Accept your FREE Home Report invitation from your loan officer in just a few clicks. Receive your Home Report every month, and bookmark the link so you can check in as often as you want.

Actionable, dynamic experience

Explore historical and forecasted appreciation, local sales activity, home tips, or use the Savings Calculator to understand how making additional payments could save you thousands over the life of your loan.
